

MOTHERS LIVES MATTER

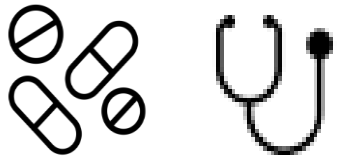

Proper maternal health care helps to save lives of mothers and babies. Every woman has a right to high quality care before, during and after pregnancy.

HEALTHY MOMS + **HEALTHY BABIES** = **HEALTHY SOCIETY**

To ensure proper maternal health for every woman, we should:

Increase access & availability of health facilities

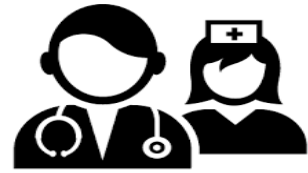

Supply health facilities with vaccines, medicines and safe equipment

Promote breast feeding

Educate mothers on supplements and healthy diets for pregnancy & after delivery

Train more health workers on Safe delivery of babies

Encourage fathers to get more involved in pregnancy and infant care.
